Directors & Child Nutrition Professionals,

You are cordially invited to participate in a first-class fundraising opportunity to help combat child hunger and support the school lunch program. On Thursday October 6<sup>th</sup>, 2022 between 6PM-9PM, we are hosting our 37<sup>th</sup> annual fundraiser for the Southern California School Nutrition Association (SCSNA) at the brand new Top Golf located at 1050 N Archibald Ave Ontario, CA 91764.

To help support this cause, we are seeking your participation in this event. This is an opportunity to support the SCSNA in our mission to “Educate and Empower members to provide healthy meals and to foster an environment where children achieve overall wellness and lifelong success.” We have felt the impact of the pandemic over the past two years and yet, we are proud of our collective efforts to tirelessly serve school districts and their communities.

The SCSNA is a non-profit organization comprised of Food Service Directors, Food Service Support Staff and Industry Partners. Through meal design, education and collaboration, we work to provide affordable, creative and nutritious meals to school children. “A hungry child can’t learn!”

Proceeds from this fundraiser will be used for SCSNA chapter grants to send delegates to Legislative Action Conferences in Sacramento, CA and Washington D.C.
